

Your semester abroad

Please take a moment to answer the questions below about your semester abroad. With each completed testimonial, we can offer other students a better insight into your chosen partner university and life in that country, and thus support them in their decision-making process. All testimonials will be uploaded anonymously on our website.

1. At which university did you spend your semester abroad and why did you choose this university?

2. What courses did you take?

3. How did you find your housing?

4. What did you like most about the university and the country?
